

Vol. 16 Nos. 5 & 6

May-June

Conservation

Pledge

I give my
pledge as an American
to save and faithfully to
defend from waste the
natural resources of
my country—its soil
and minerals, its
forests, waters
and wildlife

*Published Bi-Monthly
in the interest of conser-
vation of Louisiana's nat-
ural resources by the
Wild Life and Fisheries
Commission, 400 Royal
Street, New Orleans, Lou-
isiana, 70130.*

A typical Louisiana scene in May and June is that of bass fishermen holding highly-prized strings of fish. These are two of the most attractive freshwater fishing months although freshwater fishing is good all year around. Budding, moss-draped trees in the background show that winter has lost its punch and that the balmy, pleasant days are at hand. Bass are taken all over Louisiana and can properly be considered the most appealing freshwater game fish for sportsmen.
